

Petition To Keep RV Campgrounds Open

by Gordon White - Posted in Truck Camper Magazine on March 17, 2020

We the undersigned petition federal, state and local authorities to allow RVers to shelter-in-place in national, state, local and commercial campgrounds during the coronavirus situation. Here are our petition demands:

1. Allow all RVers currently in place at national, state, local or commercial campgrounds to self-quarantine in place.
2. To keep park employees safe and comply with any existing or potential lockdowns, park staff should be allowed to go home and self-quarantine.
3. All park bathhouses and other public areas at the parks should be closed. These facilities require cleaning and maintenance that is not possible in a quarantine or lockdown situation.

For a full copy of the petition language, read, "Urgent Petition To Keep RV Campgrounds Open" on Truck Camper Magazine's website: <https://www.truckcampermagazine.com/news/urgent-petition-to-keep-rv-campgrounds-open/>

The following RV industry businesses and RV community members have signed this petition as of March 23, 2020. Petition signatures continue to be added.
