Q&A talk with Jeff Senecal owner of Breezy Bend RV Center in Leicester, MA.

Jeff was a landscaper for several years and bought his first RV – a fifth wheel and when it needed warranty work, his dealer was so busy, and it would be several weeks before the dealer could get him in. Jeff made arrangements to drive out to Indiana where the factory is located and got the warranty work done there. On the way home he decided to open his own RV business. Starting from scratch he built up his “Breezy Bend RV Center” and sold it in 2019. He now does RV repair work out of a 40x60 building on property he owns. Mikeeee asked Jeff how he came up with the name “Breezy Bend”. Simple Jeff said the area in Leicester where he and his wife live is known as Breezy Bend. End of story.
